

## Key Investor Information

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

### Invesco Invesco FTSE RAFI Emerging Markets UCITS ETF (the "Fund") A sub-fund of Invesco Markets III plc (the "Umbrella Fund") Dist (ISIN: IE00B23D9570) (the "Share Class")

The Fund is managed by Invesco Investment Management Limited, part of the Invesco Group.

#### Objectives and Investment Policy

- The Fund is a passively managed Exchange-Traded Fund. This means shares in the Fund are listed and traded on one or more stock exchange(s).
- The objective of the Fund is to generate a return on capital and income which, before expenses, would correspond to, or track, the return on the FTSE RAFI Emerging Markets Index (Net Total Return) in USD (the "Index")<sup>1</sup> by replicating all of the constituents of the Index.
- The Fund's shares are listed on one or more Stock Exchange(s). Generally, only Authorised Participants may subscribe or redeem shares directly with the Fund. Other investors can buy or sell shares daily through an intermediary directly or on Stock Exchange(s) on which the shares are traded. In exceptional circumstances other investors will be permitted to redeem their shares directly from Invesco Markets III plc in accordance with the redemption procedures set out in the prospectus, subject to any applicable laws and relevant charges.
- An index measures the performance of a selection of shares representative of the overall market or subsection of it.
- The Index consists of shares of 350 companies domiciled in emerging market countries, selected using specific criteria, from the FTSE universe of stocks.
- To achieve the objective the Fund will, as far as practicable, hold all the shares in the Index in their respective weighting.
- The Fund may have exposure to, or invest in, up to 20% of the net asset value of the Fund (the "NAV") in shares of a single issuer. This may be increased to 35% in shares of a single issuer in certain circumstances.
- You can buy and sell shares in the Fund on any Business Day (as defined in the Prospectus).
- Any income from your investment will be paid quarterly.

#### Risk and Reward Profile

- The Share Class is in risk category 6 due to the rises and falls of its price or simulated data in the past.
- As the Share Class' risk category has been calculated using historical data, it may not be a reliable indication of the Share Class' future risk profile.
- The risk category may change in the future and is not guaranteed.
- The lowest category does not mean a risk free investment.

#### Other Risks

- **General Investment Risk:** The value of investments, and income from them, can go down as well as up and you may not get back the full amount you invested.
- **Currency risk:** The Fund's performance may be adversely affected by variations in the exchange rates between the base currency of the Fund and the currencies to which the Fund is exposed.
- **Emerging market risk:** Emerging markets are generally more sensitive to economic and political conditions and less liquid than developed markets.
- **Equity Risk:** The value of equities and equity-related securities can be affected by a number of factors including the activities and results of the issuer and general and regional economic and market conditions. This may result in fluctuations in the value of the Fund.
- **Securities lending:** The Fund may be exposed to the risk of the borrower defaulting on its obligation to return the securities at the end of the loan period and of being unable to sell the collateral provided to it if the borrower defaults.
- For more information on risks, please see the Fund prospectus under "Risk Factors", which is available at [etf.invesco.com](http://etf.invesco.com) (select your country and navigate to Product/Prospectus).
