

## Key Investor Information

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

### Invesco Italian PIR Multi-Asset Portfolio UCITS ETF (the "Fund") A sub-fund of Invesco Markets II plc (the "Umbrella Fund") Dist (ISIN: IE00BF51JZ00) (the "Share Class")

The Fund is managed by Invesco Investment Management Limited, part of the Invesco Group.

#### Objectives and Investment Policy

- The Fund is an Exchange-Traded Fund (ETF), which aims to achieve the performance of a basket of reference indices as set out below (the "Reference Basket")<sup>1</sup>, less fees, expenses and transaction costs.
- The Reference Basket will consist of indices in the following target allocations: FTSE Italia All-Share Index: 20%, FTSE Italia Small Cap Index: 15%, FTSE Italia STAR Index: 20%, NASDAQ Global BuyBack Achievers Index: 15%, FTSE Italian Corporate Bond Select Index: 20%, Citi Time-Weighted US Fallen Angel Bond Select Index: 7%.
- In order to achieve the investment objective, the Fund will employ a replication method that looks to invest predominantly in securities that as closely as possible match the constituents of the Reference Basket.
- The Fund's shares are listed on one or more Stock exchange(s). Generally, only Authorised Participants may subscribe or redeem shares directly with the Fund. Other investors can buy or sell shares daily through an intermediary directly or on Stock Exchange(s) on which the shares are traded. In exceptional circumstances other investors will be permitted to redeem their shares directly from Invesco Markets II plc in accordance with the redemption procedures set out in the prospectus, subject to any applicable laws and relevant charges
- The Fund's base currency is EUR.
- **Dividend Policy:** This class does not pay you income, but instead reinvests it to grow your capital, in line with its stated objectives.
- **Net Asset Value:** This is calculated daily and the Fund is open for subscriptions and redemptions on each day which the United States Federal Reserve System and the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) are open. Please refer to the prospectus for further information.
- **The Reference Basket:** The Reference Basket is designed to generate capital growth and income through exposure primarily to Italian equity and fixed income markets together with an allocation to global equity and fixed income exposure for diversification by tracking each index with the allocation as set out above, with a small allocation to cash. Further details on each of the underlying indices can be found in the Fund's prospectus. The Reference Basket is reset to its target allocation on a quarterly basis.

#### Risk and Reward Profile

Lower Risk ← Higher Risk  
Typically lower rewards ← Typically higher rewards

1	2	3	4	5	6	7
---	---	---	---	---	---	---

- The Share Class is in risk category 5 due to the rises and falls of its price or simulated data in the past.
- As the Share Class' risk category has been calculated using historical data, it may not be a reliable indication of the Share Class' future risk profile.
- The risk category may change in the future and is not guaranteed.
- The lowest category does not mean a risk free investment.

#### Other Risks

- **General Investment Risk:** The value of investments, and income from them, can go down as well as up and you may not get back the full amount you invested.
- **Credit risk:** The creditworthiness of the debt the Fund is exposed to may weaken and result in fluctuations in the value of the Fund. There is no guarantee the issuers of debt will repay the interest and capital on the redemption date. The risk is higher when the Fund is exposed to high yield debt securities.
- **Equity Risk:** The value of equities and equity-related securities can be affected by a number of factors including the activities and results of the issuer and general and regional economic and market conditions. This may result in fluctuations in the value of the Fund.
- **Interest Rate Risk:** Changes in interest rates will result in fluctuations in the value of the Fund.
- **PIR compliance:** While an investment in the Fund is intended to be eligible for the purposes of "Piani Individuali di Risparmio a lungo termine" (PIR) (Law 232/2016), no guarantee is made that the Fund will continue to be eligible, and investors should make their own assessment on the PIR eligibility of the Fund before investing. Investors in the fund since 1 January 2019 should be aware that the Fund will not grant them the tax benefits of a PIR under the old regime, due to the changes to the PIR legislation which came into effect on 1 January 2019 as a result of changes to such legislation announced in the Italian Budget Law 2019.
- For more information on risks, please see the Fund prospectus under "Risk Factors", which is available at [etf.invesco.com](http://etf.invesco.com) (select your country and navigate to Product/Prospectus).

## Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
<b>Entry charge</b>	None*
<b>Exit charge</b>	None*
Charges taken from the Share Class over a year	
<b>Ongoing charge</b>	0.45%
Charges taken from the Share Class under certain specific conditions	
<b>Performance fee</b>	None

- \*Authorised Participants dealing directly with the Fund may pay an entry charge up to a maximum of 5% and an exit charge up to a maximum of 3%. Although not charged directly to investors who are not Authorised Participants, these charges may have an impact on brokerage fees, transaction fees and / or the bid-ask spread. Currently, the Fund is not exercising its entitlement to apply entry and exit charges.
- The **ongoing charge** is based on the fee paid to the Manager. The Manager is responsible for discharging from its fee, costs attributable to the Investment Manager, Administrator, Depository as well as the Operational Expenses incurred by the Fund. It excludes portfolio transaction costs except in the case of an entry or exit charge paid by the Fund when buying or selling shares/units in another fund.
- Because the Fund is an ETF, investors will typically only be able to buy or sell shares in the secondary market. Accordingly, investors may incur brokerage and / or transaction fees in connection with their dealings. Investors may also bear the costs of "bid-ask" spreads; meaning the difference between the prices at which shares can be bought and sold. You should discuss these fees and costs with your broker before you invest, as they may reduce the amount of your initial investment and the amount you receive on disposal.
- For more information on charges, please see the relevant charges section in the Fund supplement under "General Information Relating to the Fund", which is available at [etf.invesco.com](http://etf.invesco.com) (select your country and navigate to Library/Supplement).
