- (d) If all of the shares in the Company, class or fund are to be repurchased as aforesaid the Company, with the approval of the Members by Ordinary Resolution, may divide amongst the Members in specie all or part of the assets of the Company, class or fund according to the value of the shares then held by each Member as determined in accordance with Article 12 hereof.
- (e) If all of the shares are to be repurchased as aforesaid and the whole or any part of the business or property of the Company, fund or class or any of the assets of the Company, fund or class, is proposed to be transferred or sold to another company (the "Transferee") the Company, fund or class may, with the sanction of a Special Resolution conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for the transfer or sale, shares, units, policies or other like interests or property in or of the Transferee for distribution among the Members, or may enter into any other arrangement whereby any Member may in lieu of receiving cash or property, or in addition thereto, participate in the profits of, or receive, any other benefit from the Transferee.
- (f) Where a repurchase of shares pursuant to Article 11 (a) or (b) would result in the number of Members falling below seven or such other minimum number of members as the Act may stipulate as the legal minimum number of members in a public limited company or would result in the issued share capital of the Company falling below such minimum amount as the Company may be obliged to maintain as the Act may stipulate, the Company may defer the repurchase of such shares the repurchase of which would result in such number or amount not being satisfied until the Company is wound up or until the Company procures the issue of sufficient shares to ensure that the aforesaid number and amount are satisfied. - (b) The costs and related liabilities/benefits arising from instruments entered into for the purposes of hedging the currency exposure for the benefit of any particular class of a fund (where the currency of a particular class is different to the Base Currency of the fund) and any transactions entered for such purposes shall be attributable exclusively to that class.
- (c) Where the Company participates in Common Investment Pools, the Net Asset Value of a fund shall be the value of that fund's share of the net asset value of the Common Investment Pools to which the Directors have allocated assets of the Fund, such

charge being determined by the ownership ratio of that Common Investment Pool, calculated in accordance with Article 14 together with all other assets and liabilities of the Fund not allocated to Common Investment Pools.

- (d) The Company at any time may, but shall not be obliged to, temporarily suspend the determination of the Net Asset Value of the shares in the Company or any fund and the sale, conversion and/or repurchase of such shares, in the following instances:
- (i) during any period in which any of the principal Regulated Markets on which a substantial portion of the Investments of a fund from time to time is quoted or dealt in, or when the foreign exchange markets corresponding to the Base Currency of the fund or the currency in which a considerable portion of the fund's assets are denominated, are closed otherwise than for ordinary holidays, or during which dealings thereon are restricted or suspended; or
 - (ii) during the existence of any state of affairs which constitutes an emergency as a result of which disposals or valuation of the assets of a fund would be impracticable or such disposal or valuation would be detrimental to the interests of Shareholders in the fund; or
 - (iii) during any breakdown in the means of communication normally employed in determining the price or value of any of the Investments of a fund or the current price or values on any stock exchange in respect of the assets of a fund; or
 - (iv) when, for any other reason beyond the control of the Board of Directors, the prices of a substantial portion of a fund's Investments cannot promptly or accurately be ascertained; or
 - (v) during any period when the Company is unable to repatriate funds for the purpose of making payments on cash redemption of the shares of the fund or during which any transfer of funds involved in the realisation or acquisition of investments or payments due on cash redemption of Shares of the fund cannot in the opinion of the Board be effected at normal rates of exchange;
 - (vi) upon the publication of a notice convening a general meeting of the Company or of any fund for the purposes of resolving to wind up the Company or the fund; or
 - (vii) at any other time during which the Directors determine a temporary suspension of the determination of the Net Asset Value of the shares in the Company or any fund and the sale, conversion and/or repurchase of such shares is in the best interests of shareholders.
- (e) The Company may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute Dealing Day in which case the Net Asset Value calculations and all issues and repurchases of shares shall be effected on the substitute Dealing Day. Alternatively, the Company may elect not to treat such Business Day as a substitute Dealing Day in which case it shall notify all applicants for shares and shareholders requesting repurchase of shares who shall then be entitled to withdraw their applications and repurchase requests by the date stated in the notification.
- (f) Any such suspension shall be published by the Company in such manner as it may deem appropriate to the persons likely to be affected thereby if in the opinion of the Company, such suspension is likely to continue for a period exceeding fourteen days and any such suspension shall be notified immediately to the Central Bank and to the competent authority in the Member States of the European Union and in any other country in which the shares are marketed and, in any event, within the same

Business Day. Where practicable the Company shall take all reasonable steps to bring such a suspension to an end as soon as possible.

13. VALUATION OF ASSETS

- (a) The Net Asset Value of the Company and each fund shall be calculated in accordance with the provisions of this Article.
- (b) The assets of the Company will be valued as of each Dealing Day. Any liabilities of the Company which are not attributable to any fund shall be allocated pro rata amongst all the funds according to their respective Net Asset Values. A fund may comprise of more than one class of shares and the Net Asset Value per Share may differ between classes in a fund. Where a fund is made up of more than one class of shares, the Net Asset Value of each class shall be determined by calculating the amount of the Net Asset Value of the fund attributable to each class. The amount of the Net Asset Value of a fund attributable to a class shall be determined by establishing the value of shares in issue in the class and by allocating relevant fees and expenses to the class and making appropriate adjustments to take account of distributions paid out of the fund, if applicable, and apportioning the Net Asset Value of the fund accordingly. The Net Asset Value per share of a class shall be calculated by dividing the Net Asset Value of the class by the number of shares in issue in that class.
- (c) The assets of the Company shall be deemed to include (i) all cash in hand, on deposit, or on call including any interest thereon and all accounts receivable, (ii) all bills, demand, notes, certificates of deposit, and promissory notes, (iii) all bonds, forward currency transactions, time notes, shares, stocks, units of or participations in collective investment schemes/mutual funds, debenture stock, subscription rights, warrants, future contracts, options, contracts, swap contracts, fixed rate securities, floating rate securities, securities in respect of which the return and/or repurchase amount is calculated by reference to any index, price, or rate, financial instruments and other investments and securities owned or contracted for in respect of the Company, other than rights and securities issued by it; (iv) all stock and cash dividends and cash distributions to be received in respect of the fund and not yet received by the Company but declared to stockholders on record on a date on or before the day as of which the Net Asset Value is being determined, (v) all interest accrued on any interest-bearing securities owned by the Company except to the extent that the same is included or reflected in, the principal value of such security, (vi) all other assets of the Company, (vii) the establishment costs attributable to the Company and the cost of issuing and distributing Shares of the Company insofar as the same have not been written off, and (viii) all other assets of the Company of every kind and nature including prepaid expenses as valued and defined from time to time by the Directors.
- (d) Save as set out below, the value of an Investment which is quoted, listed or normally dealt in on a Regulated Market shall be the closing sale price for such Investment on such Regulated Market on the day before the Dealing Day or the closing bid price when no closing sale price is available, provided that:
 - (i) if an investment is quoted, listed or normally dealt in on more than one Regulated Market, the Directors may, in their absolute discretion, select any one of such markets for the foregoing purposes (provided that the Directors have determined that such market constitutes the main market for such investment or provides the fairest criteria for valuing such securities) and, once selected, a market shall be used for future calculations of the Net Asset Value with respect to that Investment unless the Directors otherwise determine; and

- (ii) in the case of any Investment which is quoted, listed or normally dealt in on one Regulated Market but in respect of which, for any reason, prices on that market may not be available at any relevant time or, in the opinion of the Directors, may not be representative, the value therefor shall be the probable realisation value thereof estimated with care and in good faith by a competent person, firm or association making a market in such Investment (approved for the purpose by the Custodian) and/or any other competent person, in the opinion of the Directors (and approved for the purpose by the Custodian).
- (e) The value of any Investment which is not quoted, listed, or normally dealt in on a Regulated Market shall be the probable realisable value estimated with care and in good faith by a competent person, firm, or association making a market in such Investment (approved for the purpose by the Custodian) and/or any other competent person, in the opinion of the Directors (and approved for the purpose by the Custodian).

- (g) The value of any cash in hand, prepaid expenses, cash dividends and interest declared or accrued and not yet received shall be deemed to be the full amount thereof unless in any case the Directors are of the opinion that the same is unlikely to be paid or received in full, in which case the value thereof shall be arrived at after making such discount as the Directors (with the approval of the Custodian) may consider appropriate in such case to reflect the true value thereof.
- (h) Deposits shall be valued at their principal amount plus accrued interest from the date on which the same were acquired or made.
- (i) Bonds, notes, debenture stock, certificates of deposit, bankers acceptances, trade bills, and similar assets shall be valued at the closing sale price or the closing bid price where no closing sale price is available on the market on which these assets are traded or admitted for trading (being the market which is the sole market or in the opinion of the Directors the principal market on which the assets in question are quoted or dealt in) plus any interest accrued thereon from the date on which same were acquired. Notwithstanding the foregoing, for certain Funds and where set out in the Prospectus, bonds may be valued using the latest mid-market price obtained from pricing vendors approved for that purpose by the Directors plus any interest accrued thereon from the date on which same were acquired.
- (j) Forward foreign exchange contracts shall be valued by reference to the price at which a new forward contract of the same size and maturity could be undertaken.
- (k) The value of futures contracts and options which are dealt in on a Regulated Market shall be the settlement price as determined by the market in question, provided that if such settlement price is not available for any reason or is unrepresentative, same shall be valued at the probable realisation value estimated with care and in good faith by a competent person (approved for the purpose by the Custodian).
- (l) the value of any over the counter ("OTC") derivatives contracts shall be:
 - (i) the quotation from the counterparty provided that such quotation is provided on at least a daily basis and verified at least weekly by a person independent of the counterparty and who is approved for the purpose by the Custodian; or

- (A) where a counterparty valuation is used, it must be provided on at least a daily basis and approved or verified at least weekly by a party independent of the counterparty, which may be the Investment Manager (approved for the purpose by the Custodian);
 - (B) where an alternative valuation is used (i.e. a valuation is that provided by a competent person appointed by the Directors and approved for that purpose by the Custodian (or a valuation by any other means provided that the value is approved by the Custodian)), the valuation principles employed must follow best international practice established by bodies such as IOSCO (International Organisation of Securities Commission) and AIMA (the Alternative Investment Management Association) and any such valuation shall be reconciled to that of the counterparty on a monthly basis.
- (m) Notwithstanding any of the foregoing sub-paragraphs the Directors, with the approval of the Custodian, may adjust the value of any Investment if, after accounting for currency, applicable rate of interest, maturity, marketability and/or such other considerations as they may deem relevant, they consider that such adjustment is required to reflect the fair value thereof.
 - (n) If in any case a particular value is not ascertainable as above provided or if the Directors shall consider that some other method of valuation better reflects the fair value of the relevant Investment, then in such case the method of valuation of the relevant Investment shall be such as the Directors shall decide with the approval of the Custodian.
 - (o) Notwithstanding the foregoing where at any time of any valuation any asset of the Company has been realised or contracted to be realised, there shall be included in the assets of the Company in place of such asset the net amount receivable by the Company in respect thereof provided that, if such amount is not then known exactly, then its value shall be the net amount estimated by the Directors as receivable by the Company and provided that the method of valuation is approved by the Custodian.
 - (p) Any assets held on behalf of a particular fund that are not denominated in the Base Currency will be converted into the Base Currency at the rate of exchange prevailing in a Regulated Market on the Dealing Day.
 - (q) In calculating the Net Asset Value of the assets
 - (i) every share allotted by the Company shall be deemed to be in issue and the assets shall be deemed to include not only the relevant cash and property in the hands of the Custodian but also the amount of any cash or other property to be received in respect of shares allotted;
 - (ii) where Investments have been agreed to be purchased but such purchase has not been completed such Investments shall be included and the gross purchase or net sale consideration excluded as the case may require as if such purchase had been duly completed;
 - (iii) where notice of a repurchase of shares has been given to the Custodian but such cancellation has not been completed the Shares to be cancelled shall be deemed not to be in issue and the value of the assets shall be reduced by the amount payable to a Shareholder upon such cancellation;
 - (iv) there shall be deducted from the assets the total amount of any actual or estimated liabilities properly payable including outstanding borrowings (if any) but excluding liabilities taken into account under sub-paragraph (ii) above and any estimated liability for tax on and such amount in respect of contingent or projected expenses as the Manager considers fair and reasonable having

regard to the provisions of the Prospectus and the Articles of Association of the Company;

- (v) there shall be deducted from the value of any Investment in respect of which a call option has been written the value of such option calculated by reference to the lowest available market dealing offered price quoted on a regulated market or if no such price is available a price certified by a stockbroker or other person approved by the Custodian or such price as the Directors consider in the circumstances to be reasonable and which is approved by the Custodian;

- (s) Notwithstanding the foregoing, the Directors, with the approval of the Custodian, may value the Investments or assets of the Company in accordance with any applicable law to which the Company is subject, in circumstances where such law conflicts with the valuation principles set out in these Articles.

A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- (k) The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- (l) A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- (m) If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class or unless otherwise provided herein) may, whether or not the Company is being wound up, be varied with the consent in writing of the holders of the shares of that class, to which the provisions of these articles relating to general meetings shall apply *mutatis mutandis*, save that the quorum at any such general meeting shall be one Member of that class present in person or by proxy.
- (n) Subject to Section 193 of the Act a resolution in writing signed by all of the Members for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representative) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a special resolution shall be deemed to be a special resolution within the meaning of the Act. Any such resolution shall be served on the Company.
- (o) Any amendment to the Memorandum and Articles of Association approved by the Members by a special resolution shall not be effective unless the Central Bank has also approved such amendment.

20. **VOTES OF MEMBERS**

- (c) In the case of joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the shares.
- (d) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection

made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.

- (e) On a poll votes may be given either personally or by proxy.

- (g) The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. The appointment of a proxy by electronic means shall be effective only in such form as the Directors may approve. An instrument of proxy shall be in any usual form or in such form as the Directors may approve PROVIDED ALWAYS that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- (h) Any person (whether a Member or not) may be appointed to act as a proxy. A Member may appoint more than one proxy to attend on the same occasion.
- (i) The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the registered office of the Company or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the Company not later than the time specified in the notice of the meeting or adjourned meeting at which the person named in the instrument proposes to vote and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid. Where the appointment of a proxy and any authority under which it is signed is to be received by the Company in electronic form, it may be so received where an address has been specified by the Company for the purpose of receiving electronic communications
 - (i) in the notice convening the meeting; or
 - (ii) in any appointment of proxy sent out by the Company in relation to the meeting; or
 - (iii) in any invitation contained in an electronic communication to appoint a proxy issued by the Company in relation to the meeting.

- (k) The Directors may at the expense of the Company send, by post or otherwise, to the Members instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any class of Members, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the Members entitled to be sent a notice of the meeting and to vote thereat by proxy.
- (l) A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the appointment of proxy was made, or the transfer of the shares in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have

been received by the Company at the registered office of the Company, before the commencement of the meeting or adjourned meeting at which the proxy is used.

- (m) Any body corporate which is a Member may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative at any meeting of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Member and such body corporate shall for the purposes of these presents be deemed to be present in person at any such meeting if a person so authorised is present thereat.

Any Director so appointed shall hold office only until the next following annual general meeting and shall then be eligible for re-election.
- (d) The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may set out in the Prospectus from time to time. Such remuneration shall be deemed to accrue from day to day. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings or any meetings in connection with the business of the Company.

- (j) The appointment of an alternate Director shall determine if his appointor ceases to be a Director or on the happening of any such event which if he were a Director would cause him to vacate such office.
- (k) An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions hereof shall apply as if he (instead of his appointor) were a Director. If he himself shall be a Director, or shall attend any such meeting as an alternate for more than one Director, his voting rights shall be cumulative, provided, however, that he shall count as one for the purposes of determining a quorum. If his appointor is for the time being temporarily unable to act his signature to any resolution in writing of the Directors and for the purposes of affixing the Company seal shall be as effective as the signature of his appointor. The nature of a Director's interest must be declared by him at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement at the next meeting of the Directors held after he became so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, at the first meeting of the Directors held after he becomes so interested.

 - (ii) an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his.
- (j) Save as otherwise provided by these Articles, a Director shall not vote at a meeting of the Directors or a committee of Directors on any resolution concerning a matter in which he has, directly or indirectly, an interest which is material or a duty which conflicts or may conflict with the interests of the Company. - (l) Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employments with the Company such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not otherwise debarred from voting) shall be entitled to vote (and be counted in the quorum) in respect of each resolution, except that concerning his own appointment.

- (f) A resolution in writing (in electronic form or otherwise) signed (whether by electronic signature, advanced electronic signature or otherwise as approved by the Directors) by all the Directors for the time being entitled to receive notice of a meeting of the Directors and to vote thereat shall be as valid and effectual as a resolution passed at a meeting of the Directors duly convened and may consist of several documents in the like form each signed by one or more of the Directors. A resolution in writing shall be deemed to have been signed in the country or place where the last signatory to sign the resolution in writing (in electronic form or otherwise) executes such resolution.

- (h) The Directors may delegate any of their powers to committees consisting of such of their members as they think fit. The meetings and proceedings of any such committee shall conform to the requirements as to quorum imposed under the provisions of Article 25(b) and shall be governed by the provisions hereof regulating the meetings and proceedings of the Directors so far as the same are applicable and are not superseded by any regulations imposed on them by the Directors.

26. **SECRETARY**

The Secretary shall be appointed by the Directors. Anything required or authorised to be done by the Secretary may, if the office is vacant or there is for any other reason no Secretary capable of acting, be done by any assistant or deputy Secretary or if there is no assistant or deputy Secretary capable of acting, by any officer of the Company authorised generally or specially in that behalf by the Directors PROVIDED THAT any provisions hereof requiring or authorising anything to be done by a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

 - (i) addition or deduction of a sum by way of adjustment to allow for the effect of sales or repurchases, cum or ex-dividend;

- (g) No dividend or other amount payable to any holder of shares shall bear interest against the Company. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the Company until claimed. Payment by the Company of any unclaimed dividend or other amount payable in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.  - (ii) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect of which the share election has been duly exercised (the "Elected Shares"), and in lieu thereof additional shares shall be issued to the holders of the Elected Shares on the basis determined as aforesaid and for such purpose the Directors shall capitalise a sum equal to the aggregate value of the dividends in respect of which elections have been made and apply the same in paying up in full the appropriate amount of unissued shares;
 - (iii) the additional shares so issued shall rank *pari passu* in all respects with the fully-paid shares then in issue save only as regards participation in the relevant dividend (or share election in lieu);
 - (iv) the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalization, with full power to the Directors to make such provision as they think fit in the case of shares becoming distributable in fractions so that, fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the Company or the Company issues Fractional Shares;
 - (v) The Directors may on any occasion determine that rights of election shall not be made available to any Member with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.
- (j) The Directors may, with the sanction of an Ordinary Resolution, distribute in kind among shareholders by way of dividend or otherwise any of the assets of the Company (other than any assets which have a contingent liability).

- (c) The assets available for distribution among the Members shall then be applied in the following priority:
 - (i) firstly, in the payment to the Members of each class of each fund of a sum in the Base Currency in which that class is designated or in any other currency selected by the liquidator as nearly as possible equal (at a rate of exchange reasonably determined by the liquidator) to the Net Asset Value of the shares of such class held by such holders respectively as at the date of commencement of the winding up provided that there are sufficient assets available in the relevant fund to enable such payment to be made.  - (A) first, to the assets of the Company not comprised within any of the funds; and
