Dear Shareholder,

1. Introduction

As you are aware, the Company is an investment company with variable capital and with segregated liability between funds, incorporated with limited liability under the laws of Ireland, authorised on 9 December, 2010 by the Central Bank of Ireland (the “**Central Bank**”) pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011, as amended (the “**Regulations**”). The Company is an umbrella company, which comprises a number of sub-funds.

Unless the context otherwise requires and except as varied or otherwise specified in this circular, words and expressions (including defined terms) used in the circular shall bear the same meaning as in the Prospectus of the Company.

The Directors will convene an annual general meeting of the Shareholders of the Company on 8 September, 2016, at which the following matters will be presented to the shareholders:

General Business

- (a) To receive and consider the Directors’ report, Auditors report and financial statements for the fiscal year ended 31 March, 2016 and to review the Company’s affairs.**

Shareholders will be asked to receive and consider the Directors’ report, Auditors report and financial statements for the fiscal year ended 31 March, 2016 (which are available at www.SourceETF.com) and to review the Company’s affairs.

- (b) To re-appoint PricewaterhouseCoopers as Auditors to the Company**

Shareholders will be asked to approve the reappointment of PricewaterhouseCoopers as Auditors to the Company.

- (c) To authorise the Directors to fix the remuneration of the Auditors**

Shareholders will be asked to authorise the Directors to fix the annual remuneration of the Auditors.

Special Business

1. Amendments to the Memorandum & Articles of Association of the Company

Subject to Shareholder approval and the requirements of the Central Bank, it is proposed to make the following amendments to the Memorandum & Articles of Association (the “**M&A**”) and to include all re-numbering and updating of cross-references and dates, as appropriate. Shareholders should consult Appendix III to this circular which highlights the proposed insertions/deletions in strikethrough.

(a) Operation of an Umbrella Cash Account (Appendix III, point 1)

The Central Bank is introducing a new investor money protection regime which will be relevant for the Company. Through the release of the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) Investor Money Regulations, 2015 and the issuing of guidance entitled “*Umbrella Funds – cash accounts holding subscription, redemption and dividend monies*” the Central Bank is seeking to enhance the protection of flows of money into a fund from investors (via subscriptions) and flows of money out of a fund to investors (via redemptions and dividends).

Following consultation with Brown Brothers Harriman Fund Administration Services (Ireland) Limited, as administrator of the Company, it is intended to operate an umbrella level cash account (in which more than one Fund participates) through which subscription, redemption and dividend payments or other cash flows to or from investors can be managed or facilitated. The umbrella level cash account will be operated in accordance with the Central Bank guidance outlined above. Accordingly, it is proposed to insert a new Article 5.07 into the M&A to clarify the Company may establish, maintain and operate such an account.

Shareholders should note that any monies received into or transferred to such an umbrella level cash account are treated as assets of the relevant Fund (as opposed to investor monies held on trust for the applicable investor/Shareholder). Accordingly, such assets are under the safekeeping of the Company’s depository (Brown Brothers Harriman Trustee Services (Ireland) Limited) and those individuals/entities beneficially entitled to such assets will be treated as general creditors of the relevant Fund during the period monies are held in such an account.

(b) Compulsory Repurchase – Outstanding Anti-Money Laundering Documentation/Requirements (Appendix III, point 2)

Recent publications from the Central Bank in respect of anti-money laundering and terrorist financing within the investment funds sector have highlighted the requirement for investment funds such as the Company to ensure procedures are clearly established (in accordance with relevant legislation) to discontinue business relationships with investors who fail to adhere to anti-money laundering requirements.

In accordance with the above, it is proposed to amend Articles 10.01(iv) and 10.06 to clarify that the Directors have the power to compulsorily redeem Shares (in accordance with the compulsory repurchase procedures outlined in Article 10) where an investor has failed to provide such information, evidence, documentation and/or undertakings as may be required for compliance with any anti-money laundering and similar provisions applicable to the Company.

(c) Amendments to address the Central Bank UCITS Regulations (Appendix III, point 3)

The Central Bank published the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1))(Undertakings for Collective Investment in Transferable Securities) Regulations 2015 (the “**Central Bank UCITS Regulations**”) on 1 October 2015. The Central Bank UCITS Regulations came into effect as and from 1 November 2015 and have replaced the previous Central Bank UCITS Notices. The following amendments to the M&A are proposed to address the Central Bank UCITS Regulations:

Legislative reference update

The M&A has been amended to remove any references to the Central Bank UCITS Notices and to provide for a definition of Central Bank UCITS Regulations where such references were made.

Redemption Gate

The redemption gate in Article 11.12 of the M&A can be triggered where the number of Shares to be redeemed is 10% or more of the total number of Shares in issue of the relevant Fund.

At present, redemption requests which are carried over following the imposition of the gate are to be treated in priority to any redemption requests received after the gate has been imposed. However, this approach is no longer permissible pursuant to the Central Bank UCITS Regulations. As such it is necessary to amend the provisions to provide that, where the gate is applied, any unsatisfied redemption requests will not receive priority. Instead, on the Dealing Day following the imposition of the gate, all redemption requests will be dealt with on a pro rata basis should the gate continue to apply.

It is proposed to amend Article 11.12 of the M&A in accordance with the above.

(d) Amendments to address UCITS V

The European Communities (Undertakings for Collective Investment in Transferable Securities) (Amendment) Regulations 2016 transposed the UCITS V Directive (“UCITS V”) into Irish law. The following amendments are proposed for the M&A to address UCITS V:

Defined Terms

It is proposed that all references to “Custodian” will be replaced with “Depositary” and all references to “sub-custodian” and “sub-custodians” will be replaced with the terms “sub-depositary” and “sub-depositaries” respectively.

Depositary Delegation and Liability

Pursuant to UCITS V, the depositary has certain specific regulatory duties and minimum standards with respect to delegation in addition to the safekeeping of the Company’s assets. Furthermore the liability of the depositary has changed in that the depositary will be strictly liable for the loss of financial instruments (unless it can prove that the loss has arisen as a result of an external event beyond its reasonable control, the consequences of which would have been unavoidable despite all reasonable efforts to the contrary) and in all other cases will be liable for its negligent or intentional failure to properly fulfil its obligations pursuant to UCITS V. Accordingly, in order to be consistent with UCITS V, it is proposed to amend Articles 38.03, 38.04 and 38.05 relating to the depositary to ensure consistency with regulatory requirements.

M&A provisions relating to the Depositary Agreement

Article 3.05 of the M&A currently outlines that any new depositary agreement or variations to the existing depositary agreement shall be approved by ordinary resolution of Shareholders unless (i) the terms of any new depositary agreement do not differ in any material extent to the existing depositary agreement or (ii) the Custodian certifies that the variation(s) to the existing depositary agreement do not prejudice the interests of Shareholders and does not relieve the Manager or Custodian of any responsibility to the Company.

The provisions of Article 3.05 are not a regulatory requirement. Accordingly, it is proposed to amend this Article to simply outline that any new depositary agreement or variation(s) to the existing depositary agreement shall be entered into in accordance with the requirements of the Central Bank.

2. Fees and Expenses

The legal and administrative costs of drafting and implementing the proposed changes to the M&A will be borne by the Manager.

3. Shareholders’ Approval

For the sanctioning of the ordinary resolutions in relation to the re-appointment of PricewaterhouseCoopers as Auditors to the Company and the authorisation of the Directors to fix the remuneration of the Auditors, a majority of the Shareholders, consisting of fifty per cent (50%) or more of the total number of votes cast, present in person or by proxy, who cast votes at the annual general meeting of the Shareholders, are required to vote in favour of it.

The sanctioning of the proposed amendments to the M&A set out above, requires a special resolution to be passed in favour of that proposal by a majority of Shareholders of the Company, consisting of seventy five per cent (75%) or more of the total number of votes cast, present in person or by proxy, who cast votes at the annual general meeting of the Shareholders.

The quorum for the annual general meeting is two Shareholders present (in person or by proxy). If within half an hour from the time appointed for the annual general meeting, a quorum is not present, it shall be adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine.

If you are a registered holder of Shares, you will receive a proxy form with this circular. Please read the notes printed on the form, which will assist you in completing the proxy form, and return the proxy form to us. **To be valid, your appointment of proxy must be received no later than 48 hours before the time appointed for the annual general meeting and therefore by 3 p.m. on 6 September, 2016 (Irish time) at the latest.** You may attend and vote at the annual general meeting even if you have appointed a proxy.

4. The Irish Stock Exchange

The approval of the Irish Stock Exchange for this circular has been sought and obtained by the Directors.

5. Recommendation

We believe that the proposed resolutions are in the best interests of the Shareholders as a whole and therefore recommend that you vote in favour of the proposals. These proposals do not change the value of your investments.

We propose that the suggested changes to the M&A as outlined above be approved at the annual general meeting of the Company by way of special business after the general business has been considered. **Should you be in any doubt as to the actions you should take, we recommend that you consult with your own tax and legal advisers.**

Shareholders may continue to redeem their investments in the Company free of charge on any Dealing Day in accordance with the provisions of the Prospectus.

6. Changes to the Company's Prospectus and certain Fund Supplements

We would also like to take this opportunity to notify you that if the special resolution to amend the M&A is passed, then the Prospectus including the Fund Supplements will be amended to reflect the changes, if necessary. Once updated, the amended Prospectus may be obtained at the registered office of the Company or by contacting the Administrator.

7. Future Notification to Shareholders

Shareholders should note that, subject to the requirements of the Central Bank and any other relevant regulatory requirement, material changes to the content of the Prospectus and non-material amendments to the investment policy of a Fund may be notified to Shareholders by inclusion in the next set of periodic accounts rather than by way of a separate shareholder mailing in relation to such matters. The changes in relation to the means of notification to Shareholders for the specified changes mentioned above are made to reflect the new UCITS requirements.

8. Notice and Proxy Forms

Details of the specific resolutions which Shareholders will be asked to approve are detailed in the notice and proxy form attached to this circular.

This circular is accompanied by the following documents:

1. Notice of the annual general meeting of the Company to be held at 3 p.m. on 8 September, 2016 at the offices of Brown Brothers Harriman Fund Administration Services (Ireland) Limited, 30 Herbert Street, Dublin, D02 W329, Ireland (Appendix I);
