Note 1: For UK tax purposes, any distributions/ excess reportable income from "bond funds" invested more than 60% in interest-bearing assets should be treated as interest income.

Note 2: The Return of capital rate per unit will only be relevant to new investors in the period that the distribution relates to. If you are unsure if a particular return of capital figure is applicable to you, we would recommend that you seek advice from your own tax advisor.

\* formerly know as PowerShares Palisades Global Water Fund. The Fund changed name on 1 March 2012
