NOTES:-

1. Only those shareholders registered in the register of members of the Company on 6 June 2024 or, if the AGM is adjourned, on the day that is two days before the day appointed for the adjourned AGM, are entitled to attend and vote at the AGM or at any adjournment thereof. Changes in the register of members after this time will be disregarded in determining the rights of any person to attend and/or vote at the AGM or any adjournment thereof.

3. The Bank of New York (Depository) Nominees Limited, being the only registered shareholder of the Company, is entitled to appoint a proxy or an authorised representative to attend, speak and vote on its behalf. A proxy or an authorised representative need not be a member of the Company. The form of proxy enclosed with this notice of AGM is therefore only for use by the sole registered shareholder of the Company and not by any investors in the Company’s sub-funds.
4. Investors in the Company’s sub-funds should submit their voting instructions through an ICSD or through a participant in the ICSD being their local central securities depository (which in turn should be instructed to submit their voting instructions to the

ICSD) to ensure the sole registered shareholder of the Company votes in accordance with their instructions. Investors who have invested in the Company's sub-funds via their brokers, dealers or intermediaries should contact these entities to provide voting instructions to the ICSD on their behalf. In accordance with their respective rules and procedures, each ICSD is required to collate and transfer all votes received from its participants to the Company's common depository, The Bank of New York Mellon, London Branch (the "Common Depository"), and the Common Depository is, in turn, required to collate and transfer all votes received from each ICSD to The Bank of New York (Depository) Nominees Limited, which is obligated to vote in accordance with the Common Depository's voting instructions. Investors should consult with their brokers, dealers or intermediaries to understand any timing implications for them in this regard.
