SOURCE HIRES STRATEGIC SWISS COVERAGE TEAM HEAD

London, 6 May 2014: Source, an investment firm and one of the market-leading European providers of Exchange Traded Products (ETPs), is pleased to announce that Marco Mautone has joined the company, adding increased depth and a wealth of expertise to the Switzerland and Liechtenstein coverage team. He will report to Stefan Garcia, Co-head of EMEA.

“We are delighted that Marco has decided to join Source to grow our Swiss business. Marco adds to the depth of experience in the Swiss coverage team” said Stefan Garcia. “Switzerland is already a large and rapidly growing ETF investor base for Source, and we look forward to further increasing our local presence both in terms of people and products.”

Marco Mautone highlights that “ETFs offer investors choice, efficiency and transparency. This creates an obvious opportunity for Swiss investors.” He continues, “As a result, I can see ETF usage amongst Swiss private banks and family offices in particular increasing significantly over the next few years.”

Notes to Editors:

Marco Mautone – Managing Director – Switzerland and Liechtenstein

Marco is a Managing Director at Source with responsibility for Switzerland and Liechtenstein. Prior to joining Source, Marco spent eight years at Bank of America Merrill Lynch as Head of European & US Equity Sales Trading in Switzerland which included building and running a successful ETF sales & trading business. Previously, he spent five years at Lehman Brothers as a cash equity sales trader focused on Swiss institutional clients. Marco brings with him more than 25 years of financial markets and trading experience.

Important Information

The prospectus documentation describing the products, risks and related costs of Source products are available for residents of countries where such products are authorised for sale at **www.source.info**

The products described on www.source.info are not suitable for everyone. Investors' capital is at risk and they may get back less than they invested. Investors should not deal in these products unless they understand their nature and the extent of their exposure to risk. The value of these products can go down as well as up and can be subject to volatility due to factors such as price changes in the underlying

instrument and interest rates. It is recommended that potential investors study the relevant product prospectus before investing.

About Source

Source is an investment firm and one of Europe's leading Exchange Traded Product (ETP) providers, with over US\$17billion in assets under management. Since launch in April 2009, Source has focused on delivering incremental value to European ETP investors through a combination of enhanced indices, strong partnerships, improved structuring and active trading. Its range of just under 80 products gives investors the ability to gain exposure to equities, commodities, fixed income and alternative assets, through ETF and ETC structures with deep liquidity, increased transparency and reduced counterparty risk.
